Over the past century, democracy spread around the world in turbulent bursts of change, sweeping across national borders in dramatic cascades of revolution and reform. *Aftershocks* is the first book to offer a detailed explanation for this wavelike spread and retreat—not only of democracy but also of its twentieth-century rivals, fascism and communism.

Seva Gunitsky argues that waves of regime change are driven by the aftermath of cataclysmic disruptions to the international system. These hegemonic shocks, marked by the sudden rise and fall of great powers, have been essential and often-neglected drivers of domestic transformations. Though rare and fleeting, they not only repeatedly alter the global hierarchy of powerful states but also create unique and powerful opportunities for sweeping national reforms—by triggering military impositions, swiftly changing the incentives of domestic actors, or transforming the basis of political legitimacy itself. As a result, the evolution of modern regimes cannot be fully understood without examining the consequences of clashes between great powers, which repeatedly—and often unsuccessfully—sought to cajole, inspire, and intimidate other states into joining their camps.

作者介绍:

Seva Gunitsky is assistant professor of political science at the University of Toronto.

目录: Table of Contents:

List of Illustrations	vii
Preface and Acknowledgments	ix
1 Introduction: A Century of Shocks and Waves	1
2 From Crests to Collapses: The Sources of Failure in Democratic Waves	33
3 The Alchemy of War	60
4 A Low Dishonest Decade	101
5 Two Ways of Life	152
6 The Winds from the East	198
7 Conclusion: Beyond the Great Plateau	231
Appendix 1: Regime Classifications, 1900–2000	245
Appendix 2: Regime Impositions	247
Bibliography	253
Index	279
