著者:Barbier, Mary

出版者:Gareth Stevens Pub

出版时间:2004-10

装帧:LIB

isbn:9780836856804

This series looks in detail at the armed forces of the United States--their history, strength, capabilities, deployment, and key missions. Presenting the facts about the role of each service in times of both war and peace, each book includes archival illustrations, historic and contemporary photographs, a time line of significant dates, informative maps and charts, and primary-source quotations.
