Fun Class Activities 1 is the first volume of two Fun Class Activities books. If you want to inject humour into your classroom while promoting active and effective learning, then these books are for you. Fun Class Activities 1 contains 65 photocopiable activities which require minimum preparation. They are organised according to type and level from Elementary to Advanced level, which means you can use them alongside any course book. The wide variety of activities helps students practise reading, speaking, pronunciation, grammar, and vocabulary. Activities include jigsaw-reading, tongue-twisters, jokes, role-plays, sketches and much more. Most of the activities can be completed in 15 20 minutes and are arranged by activity type with contents page for quick reference. Comprehensive teachers' notes include full answer keys and step-by-step method.
