Imagine a material that looks and feels like clay and yet, when fired, becomes pure, solid gold and silver! That's metal clay, and here are the fabulous techniques and instructions, lavish photos and projects that will open up endless creative possibilities to every crafter. With this versatile product, metalwork becomes easier and faster, and it's simple to create meaningful gifts or add techniques to the forms you've already mastered. Combine the clay with lampworked and fused dichroic glass, enamel, and beads. Make exquisite jewelry, sculpture, carvings, and more. Try a great new liquid gold for coating silver objects. Among the glittering, gorgeous projects: an African Mask Pin, Groovy Flower Earrings and Ring, Puzzle Piece Bracelet, and a Twig and Leaf Condiment Spoon.
