isbn:9781579907471

Here is a fresh take on the crafts of rugmaking and knitting - a unique combination of the two. These stylish rug projects are so eye-catching that it is hard to believe that even novices can create them. But they can - thanks to the book's sumptuously illustrated and thorough section on knitting basics: advice on embellishments, including embroidery; and instructions on finishing touches, from weaving ends to lining.
