Mythical creatures such as dragons and gargoyles, unicorns and mermaids, and griffins and hydras come alive in this guide to scroll saw puzzles. Each puzzle interlocks and can stand on its own. Step-by-step instructions, detailed guidance on getting started,

and tips on wood selection, sanding, and finishing ensure success for all woodworkers. Simple patterns include a centaur and a hatchling; medium difficulty patterns include a unicorn and gargoyles; and patterns for experienced scrollers include a green man, an imperial dragon, and a phoenix.
