A little handwork-and a few quick tricks-is all it takes to create these striking quilts inspired by old-fashioned Grandmother's Flower Garden quilts. Instead of sewing together thousands of tiny hexagons, make applique units instead! Start with one

learning place-mat project, then get creative with ten quilt patterns. Take these perfectly portable projects wherever you go; applique units make it easy. Learn how today's inexpensive precut papers make the process a breeze-no need to draw and cut hexagons.
