COOL CROCHET offers the growing market of crocheters 30 fresh and fashionable designs. Illustrated with dramatic fashion photography, this collection of quick knits,

includes such wearables as tanks, pullovers, cardigans, hooded sweaters, and a bikini, and accessories like purses, hats, and jewellery. Also provided are "Cool Tips" - specific comments to aid in a garment's construction - an appendix of crochet stitches, guidance on how to make successful yarn substitutions, an abbreviations list, and materials and instructional resources.
