Carol Deacon's fantastic cakes are alive with cute and cuddly, sporty and adventurous, scary and spooky characters to delight children of all ages. Mums will be encouraged and inspired by her simple introduction with its question and answer approach, taking the angst out of decorating with sugarpaste. Children will have great fun helping to

decorate the cakes and some are designed specifically for this purpose. Chatty instructions and carefully detailed methods allow all would-be and experienced cake decorators, both young and old, to recreate her imaginative scenes. This is a wonderful opportunity to create a range of party cakes to delight any child for a fraction of the retail price and with a lot more fun.
