The Student Discovery Bible is a project that will allow students ages 7 - 11 to discover the journey that is God's Word. This is a collection of Bible stories using the actual International Children's Bible(R) Scriptures running in chronological order from Genesis to Revelation. There are bridge passages to help transition from one story to the next. The purpose of this product is to transition the young reader from Bible storybooks to read actual Bible text. Also, it begins to teach basic Bible history and principles in an easy-to-understand format. There are extra materials such as expanded biographies, articles, photos, and maps to help keep kids engaged.
