装帧:Pap

isbn:9780756403010

Melanie Rawn's best-selling debut is a novel of love and war, magic and madness, and deadly dangerous dragons that hold the secret to unimaginable wealth that could prove key to mutual peace-or a bloody tyrant's reign. And among it all, an idealistic young ruler struggles to civilize a culture that understands the strength of the sword-but has yet to discover the true power of knowledge.
