And whatever you do, DON'T give away that ending…

Behind Her Eyes has been called the new Girl on the Train and Gone Girl. This is one psychological thriller you will not want to miss.

Louise

Since her husband walked out, Louise has made her son her world, supporting them both with her part-time job. But all that changes when she meets…

David

Young, successful and charming – Louise cannot believe a man like him would look at her twice let alone be attracted to her. But that all comes to a grinding halt when she meets his wife…

Adele

Beautiful, elegant and sweet – Louise's new friend seems perfect in every way. As she becomes obsessed by this flawless couple, entangled in the intricate web of their marriage, they each, in turn, reach out to her.

But only when she gets to know them both does she begin to see the cracks… Is David really is the man she thought she knew and is Adele as vulnerable as she appears?

Just what terrible secrets are they both hiding and how far will they go to keep them?

看完以后整个人都不好了。。。

R4 read by Rosie Cavaliero & Tracy Wiles.
发觉是神棍故事，很愤怒；真相倒是意外，可也不能这么欺骗读者啊

Enough with the Gone Girl/Girl on the Train comparisons already. This is so so at best.

结局太奇怪了
