Eli Conners expected hired mercenary Ray Vereker to be a tank of a guy with forty tattoos - not a gorgeous creature with considerable karate skills. While Eli certainly needs Ray's help, he thinks she could use a little of what he's offering...a down-and-dirty, body-scorching passion of the forever kind. Ray's as good as any man when it comes to storming enemy compounds and loading an AK-47, but Eli's strong sensuality and gentle touch leave her shaken and stirred. And really, who could blame a girl for succumbing to mind-blowing temptation in the steamy jungle? But now it's back to business. If only Ray wasn't feeling hot, bothered, dizzy, and just a little bit, well, queasy. The last thing either of these unlikely lovers expects is to be expecting. Suddenly, Ray's precise, no-nonsense mission is veering wildly off course, derailed by raging hormones, out-of-control desire, and a delirious love that is completely unexpected.
