He's as good as dead. And anything dead is food for a bear. Tej and Liam are going snowboarding. When they take a shortcut over a treacherous logging road and have a accident, their adventure becomes more about survival than fresh powder. Tracked by a hungry bear, while trying to outrun the weather without any food, Tej and Liam learn about their friendship and what it will take to survive. When Tej is hurt, Liam decides he has to go for help--alone. Diane Tullson is the author of the ALA Best Book Red Sea. Diane lives in Vancouver, British Columbia.
