Fifteen-year-old Tim loves his job at his dad's pet store, partly because he gets to spend time with his best friend, a black cockatoo named Elmo. But things at work have been tense since the store moved to a larger, more expensive location. To make extra money his father rents out the store's exotic birds for parties and Tim is furious at this exploitation of his friend. When Elmo is stolen from one of the parties, the police are unconcerned about the theft. Tim and his new human friend, Sapna, set out to find Elmo and discover that Elmo is more valuable than they'd ever imagined. When award-winning author Monique Polak was a kid her best friend was her budgie, Nervous Thompson Williamson. Monique lives in Montreal, Quebec.
