Microsoft Office Excel 2007 is the biggest revision this industry standard software has undergone in years. It has a brand new interface, tons of new tools and even a suite of services called Excel Services to allow you to share your valuable data on the web. For the first time in years there is a lot to learn to make the most of this powerful new

update. To take advantage of all of the new features in this powerful program (and to do so quickly), users need this Visual QuickStart Guide. In these pages, veteran author and trusted Excel teacher Maria Langer provides step-by-step instructions for the full gamut of Excel tasks: from worksheet basics like editing, using functions, formatting cells, and adding graphics objects, to more advanced topics like creating charts, working with databases, and Web publishing. As with all Visual QuickStart Guide books, clear, concise instructions and lots of visual aids make learning easy and painless.
