

# The Internet

[The Internet\\_ 下载链接1](#)

著者:Windeatt, Scott/ Hardisty, David/ Eastment, David

出版者:Oxford Univ Pr

出版时间:2000-4

装帧:Pap

isbn:9780194372237

This work gives detailed examples of classroom activities that exploit the language-learning opportunities the Internet offers. They include searching on the Web, evaluating Web pages, creating language learning material and communicating using the Internet. A companion website provides regular updates to the information and ideas in the book.
