# PASCAL for Students

[PASCAL for Students_下载链接1_](#)

著者:Hahn, Brian D./ Kemp, Ray

出版者:Lightning Source Inc

出版时间:1995-12

装帧:Pap

isbn:9780340645888

The third edition of this best-selling text has been revised to present a more problem oriented approach to learning Pascal, without substantially changing the original popular style of previous editions. With additional material on Turbo Pascal extensions

to the standard Pascal, including binary files and graphics, it continues to provide an introduction which is as suitable for the programming novice as for those familiar with other computer languages.
