

Combinatorial Optimization in Communication Networks

[Combinatorial Optimization in Communication Networks 下载链接1](#)

著者:Cheng, Maggie Xiaoyan (EDT)/ Li, Yingshu (EDT)/ Du, Ding-Zhu (EDT)

出版者:Springer-Verlag New York Inc

出版时间:2006-3

装帧:HRD

isbn:9780387290256

This book gives a comprehensive presentation of cutting-edge research in communication networks with a combinatorial optimization component. The objective of the book is to advance and promote the theory and applications of combinatorial optimization in communication networks. Each chapter is written by an expert dealing with theoretical, computational, or applied aspects of combinatorial optimization.
