Microsoft Visual Basic .NET 2003 Unleashed is a premium reference guide and a must-have for anyone currently developing or beginning to develop .NET applications. A primer on the basic fundamentals of .NET programming is supplemented by plenty of practical application development covering virtually every aspect of .NET

programming. It is a comprehensive, easy-to-use book designed to lay flat, making it an ideal desk reference. You will also receive access to an online reference tool that contains fully searchable content and code samples. Unleashed will give you the knowledge you crave to master Visual Basic .NET 2003.
