Play music in the living room from your PC in your home office. Connect to the Internet on your laptop in any room in your house. It can be done and all by you! Building a Home Entertainment Network: Multimedia in Every Room will show you how to take an Internet connection, digital audio and video equipment, and a PC, and then integrate

them into a home entertainment powerhouse. Building a Home Entertainment Network will show you how to exploit your computer and other devices. You'll even learn tips on how to plan for your home entertainment network and how to purchase the best equipment. You have all the pieces, now just learn how to put them all together!
