Imagine that you are afraid, but instead of running and yelling for help, you pretend to be a stick. That's how an inchworm defends itself "Animal Defenses" reveals the unique ways in which animals protect themselves. Easy-to-do experiments and activities explain the tricks animals use to help them survive. With stunning, realistic illustrations, this book is an innovative approach to understanding animal life. Containing lots of interesting facts, activities and easy-to-do experiments, this title in the Animal Behavior series takes a resourceful approach to exploring animal life.
