All the recipes in this cookbook--from an all-white sundae to a fluffy fruit dip to fun toppings for your popcorn--are inspired by Coconut, American Girl's fluffy, white Westie pup. The book is filled with vivid colorful photography of the simple-to-make treats, along with cute illustrations of Coconut. The book includes colorful tear-out recipe cards that girls can fill with their own recipes, along with a template of Coconut's face for cake decorating (think powdered sugar). Each recipe card also has a saying about the power of friendship--simple wisdom that Coconut has become known for.
