Book Description Move over, J.Lo! Thanks to Gordo's latest student film project, Lizzie and Miranda are about to star in their own music video. That's until Gordo shows the girls some photos he took of them during a rehearsal and Miranda totally freaks, claiming she looks way too fat. Can Lizzie help her friend come back to reality before Miranda starves herself? Plus, Gordo gets a complex of his own, when he starts thinking he's not tall enough. --This text refers to an out of print or unavailable edition of this title."
