1607: A New Look at Jamestown is the last word on America's first colony. With expert appraisal of new archaeological evidence, this National Geographic title stands alone for timely authority and visual appeal.

Karen Lange's gripping narrative incorporates analysis of the latest discoveries from the Jamestown site. The text has been researched with the help of National Geographic grantee Dr. William Kelso. The pages come alive with Ira Block's stunning photography, detailing newly discovered artifacts, and highlighting authentic Jamestown reenactments. Compelling new theories, a National Geographic period map, and stunning reenactment photography take us back to Jamestown in 1607, where the course of our country's history changed forever.
