At school, as the snow begins to fall, the children talk about how snowflakes are formed. They make paper snowflakes and cover the windows with them. Outside, they see real snowflakes covering the ground. Their teacher smiles and says, "Wear your pajamas backward tonight and do the magic dance." Maybe, with a little luck, they will have a snow day All through the evening the snow falls. So with their pajamas on backwards, the children do the magic dance. In the morning, they get their wish. The world is transformed--it's a snow day
