We all know the stories of Cinderella, Snow White, and Rapunzel. But have you ever heard of Alice Bingley-Beckerman, Reena Paruchuri, or Molly Miller? Of course you haven't. Not yet. What these girls have in common with their fairy tale sisters is this: they are the stepdaughters of three very evil stepmothers. And they're not happy about it. They think they are alone in their unhappiness until they arrive at Putnam Mount McKinsey, a posh boarding school located in lovely rural Massachusetts. Here is where they will plot their revenge. But first they have to meet. In her first novel, Lily Archer tells a knowing, wickedly funny story about how friendship just may turn out to be more happily-ever-after than family.
