Just outside my window,

There are tracks in the snow.

Who made the tracks? Where do they go?

A little girl follows tracks outside her window after a fresh snowfall, only to realize that the tracks in the snow are her own from the day before—and that they lead her home. This diminutive and sweet picture book is as cozy as a cup of hot chocolate. Like Ezra Jack Keats' *The Snowy Day*, this lovely celebration of snow and winter is just right for the littlest readers.
