isbn:9780679405849

(Book Jacket Status: Jacketed)

Along with Blake and Dickens, Mark Twain was one of the nineteenth century's greatest chroniclers of childhood. These two novels reveal different aspects of his genius: Tom Sawyer is a much-loved story about the sheer pleasure of being a boy; Huckleberry Finn, the book Hemingway said was the source of all the American fiction that followed it, is both a hilarious account of an incorrigible truant and a tremendous parable of innocence in conflict with the fallen adult world.
