已购于美亚。这本中途断了好久才继续下去，读她的文章真是越读越觉得沉重，女性视角能看到许多不同的东西，这些不同被曝光以后让人难受。。。。

One of the most rigorous, intelligent, well-researched essay collections on feminism I have ever read. Solnit covers a wide range of important topics (e.g., why and how women are silenced, the epidemic rape culture) in this collection and with her honest, fierce voice, I was truly touched and educated. So many highlighted sentences and paragraphs.

第一部分重点围绕“沉默”来展开叙述：女人/男人/弱势者的沉默，沉默的原由与形式。与上一本书的观点差不多，算是老话重谈。个人更喜欢第二部分，用开放/怀疑/批判的眼光看待理论/语言/文学。
