

Sister Carrie

[Sister Carrie_ 下载链接1](#)

著者:Dreiser, Theodore

出版者:Bentley Pub

出版时间:1971-12

装帧:HRD

isbn:9780837604015

From the day of its troubled publication in 1900 to its inclusion in Modern Library's list of Top 100 Novels of the 20th Century, *Sister Carrie* has been the source of controversy and debate. Regarded as the "first masterpiece of the American naturalistic movement" (*The Merriam-Webster Encyclopedia of Literature*), this 100th Anniversary Edition of the classic includes additional material by the author and a new introduction by the definitive Dreiser biographer.

"Dreiser is a pioneer." --Sherwood Anderson
