This is a first class handbook for first-class learning. "Learning Made Simple" is a colourful approach to support self-study and training courses alike. Written by

experienced trainers for inexperienced learners to succeed, matched to main qualifications, "Learning Made Simple" books give you skills without frills. They are matched to the main qualifications, and written by experienced teachers and authors to make often tricky subjects simple to learn. Every book is designed carefully to provide bite-sized lessons matched to your needs. Using full colour throughout, and written by leading teachers and writers, "Learning Made Simple" books will help you learn new skills and develop your talents. Whether you are studying at college, training at work, or reading at home, aiming for a qualification or simply getting up to speed, "Learning Made Simple" books will give you the advantage of easy, well-organised training materials in a handy volume you can refer to again and again. It contains double or four-page sections for each topic.
