Devlin Bane will die for his cause -and die again if he must. A Paladin in a centuries-old war against the Others, dark creatures that prey on mankind, Devlin is destined to fall in battle and reawaken again and again in his ceaseless fight. And with each death, the Paladin loses another piece of his humanity, slowly becoming one of the monsters he was born to kill. At his side is Dr. Laurel Young, charged with watching over her Paladin and reviving him each time he meets his death. And as Devlin edges ever closer to darkness, she readies herself for her ultimate task: to destroy the Paladin should he ever become one of the Others. But as the war rages on, Devlin and Laurel are irresistibly drawn together in forbidden passion, and soon find themselves pitting desire against duty. Having sacrificed his life to the cause, will the Paladin also sacrifice his heart?
