出版者:Course Technology Ptr

出版时间:2005-11

装帧:Pap

isbn:9781418860066

Make sure students understand whose turf they are on when they surf the Internet for media! This one-of-a kind book provides important, easy-to-understand information on copyright laws and the concept of fair use as they relate to Internet media. Students will also learn how to search for public domain media.
