isbn:9780471677970

The Special Education Almanac has everything a professional needs to know to

practice more efficiently and effectively. Filled with information about special education law, ethics, assessment, and educational strategies, this one-of-a-kind resource also includes referrals, sources for test publishers, special education organizations, and government agencies; descriptions of medications and syndromes and more. A must for people who work in this dynamic field. Includes proven practice tools and critical data helpful to anyone working in special education. Authors are recognized experts in the field of special education. A resource that connects readers to other resources on everything from testing and report writing to educational and internship opportunities.
