著者:Ulmer, Donna

出版者:McGraw-Hill College

出版时间:2007-4

装帧:Pap

isbn:9780073526836

"Computer Accounting with QuickBooks Pro 2007" provides hands-on, step-by-step instructions for easy learning with an abundance of exercises and projects to reinforce new concepts. Each chapter builds on the previous chapter as the student progresses

from entering simple transactions to using advanced QuickBooks features. The first part of the text provides a hands-on introduction to QuickBooks, and the second half focuses on maintaining a service and merchandising business, as well as on advanced features of QuickBooks. "Computer Accounting with QuickBooks 2007" provides both the big picture overview (Where am I going?) and step-by-step instructions (Where do I click?).
