This new, expanded edition, with hundreds of illustrations, photographs, and tables, is indisputably the go-to source for information on all Girl Scout uniforms, insignia, awards, and handbooks, as well as dolls, postcards, posters, calendars, and

more--from the founding of the Girl Scouts in 1912 through the present day. More than an identification guide, this work also documents when changes occurred and why new items were introduced. Placing these objects in context, this essential reference provides a discerning look at the history and development of the Girl Scout Movement.
