出版者:St Martins Pr

出版时间:2007-6

装帧:Pap

isbn:9781571203762

This practical, informative, and always inspiring volume presents seven exercises and seven projects to teach readers all the basic techniques, from straight-line quilting to stippling, and more complex motifs. "Machine Quilting" also includes expert

information from one of the world's best-loved quilters on everything from setting up a workspace and adjusting your machine to suit you, to choosing the right supplies and perfecting your stitching.
