著者:Locke, Jim

出版者:Houghton Mifflin

出版时间:1992-9

装帧:Pap

isbn:9780395629512

This is the essential book for anyone who is considering building or buying a new house or remodeling an old one--an insider's guide to construction, written by a professional contractor. Many readers will remember Jim Locke as the contractor in Tracy Kidder's bestselling book HOUSE, in which he epitomized the values of the true craftsman.
