出版者:Independent Pub Group

出版时间:1996-9

装帧:Pap

isbn:9780855328122

This guide shows readers how to make beautiful and useful objects out of paper and cardboard: decorative boxes, exercise books, portfolios, books and photograph albums. The book demonstrates all the basic techniques needed, such as cutting, sewing, binding and making covers, shown in step-by-step photographs. There is

guidance on how to make decorative papers, such as marbled paper and how to repair books. There are also 36 photocopyable decorative labels for books and portfolios.
