Tanner Ryan hates everything about his new town. All of his friends are back in his old city, and the only thing he likes in Woodville is his family's pool. That is until he discovers the Curves, the most amazing place ever to skateboard. Unfortunately, on the same day he finds the Curves, he meets Bennett Parsons III, the resident bully. And the locals aren't happy that Tanner's been skateboarding all over town. Can Tanner make friends and still have fun doing what he likes to do? Or has he been doomed to a life without skateboarding?
