Now in their second editions, these stories help children ages 3-8 learn to solve social problems effectively and compassionately. Because the stories are interactive, kids are encouraged to consider several different ways of solving problems utilizing a "choose-your-own-ending" format. If your children don't like how the stories turn out, they can go back and try another method. Each book is 32 pages, 7 x 8 1/2 inches.

Written by Elizabeth Crary, M.S. and illustrated by Marina Megale.
