John Lennon's influence on music and culture is legendary. He was a rebel, a genius, an innovator, and a peace activist. From a young age he dreamed of fame and fortune. When he achieved it as one of the Beatles, he recognized the need for a deeper meaning in life. His inner search for happiness shaped his life and brought new dimension to the world of rock 'n' roll. As a follow-up to their award-winning title, *Martin's Big Words*, Doreen Rappaport and Bryan Collier present John Lennon's life through a combination of narrative and song lyrics, cut-paper collage and watercolor

art-capturing the energy and the essence of a man whose vision and creative genius continue to inspire people today.

评论

“Hey,you’ ve got to hide your love away!”

致敬列侬的一本绘画书，引用了很多歌词，五彩斑斓的拼贴画很符合披头士的迷幻风格！
