出版时间:2003-7

装帧:Paperback

isbn:9780325004778

The classic book on costuming is back and better than ever!

In the third edition of The Costume Technician's Handbook, Rosemary Ingham and Liz Covey once again draw upon their many years of hands-on experience in costume design and technology. Now they add information gleaned across the country from shop managers and staff about their methods and supplement it with images of some of the very best theatrical costume work to be seen today. And they continue to provide the most complete guide to developing costumes that are personally distinctive and artistically expressive.

作者介绍:

Liz Covey is a freelance costume designer whose work has been seen in England's and America's leading theatres. She has taught at Barnard College, Columbia University, Marymount Manhattan College, and Bennington College.

Rosemary Ingham is a costume designer and writer. Her design work has been seen at regional theatres across the country for more than three decades.
