At the mall of the Universe, the one thing you need might be in the last place you expect...Dishing over drinks; dealing with heinous bosses; scheming, dreaming and falling - four friends are going shopping for love. At the Mall of the Universe, a person can get anything they want. Marc Jacobs shoes. Hugo Boss suits. Food. Drinks. Dry cleaning. A lane at the bowling alley. Of course, some things are harder to come by than others. Just ask Vienna. She's a beautiful sister who isn't going to be dependent on any man, ever again, thanks to her cheating, should-be-dead ex. When she's not selling overpriced mascara to rich snobs, Vienna's checking out the scenery. Not that she wants another man - much. Good thing she can tell it all to...Davii - The top hairdresser at CosmicTology is fast with a wickedly funny quip and with his shears. Nobody puts one over on Davii. But, what he really craves is a nice guy to come home to. A guy who makes him want to be a better person. A guy who looks an awful lot like...Derek - He never planned to become a kept man, but it's hard to give up Belgian waffles delivered by room service. But, no more. It's time for New Derek - new life, new friends, new job. And, who better to help him take those baby steps than...Christian - Cool and savvy, he's cornered the market on charm. His sales skills have won him a fawning clientele. There's nothing he can't do, no point he can't score, no woman he can't woo. But, there's a first time for everything...
