isbn:9780316110471

It all started while Arthur was watching The Bionic Bunny Show ...When Arthur sees the commercial for the amazing doggy Treat Timer, he knows it's the perfect thing for his

puppy, Pal. He can't get it out of his mind. - in fact, every time he turns around, another ad is staring him in the face! Arthur's attempt to earn money just gets him into more trouble. Arthur's TV trouble gets worse before it gets better. Will Arthur and his family ever find a solution. Stay tuned!
