The classic tale of SLEEPING BEAUTY is retold by acclaimed author Adele Geras, and joined with detailed paintings that bring the story to life. When the king and queen throw a banquet in honor of the birth of their daughter, they invite all of the fairies, but one, Skura, who attends the feast, seeking revenge. She curses the baby, but her evil intentions are undone by the good fairy who instead promises years of sleep. The pages are trimmed with exquisite borders to give it a classic feel, and the lavish full-color art is highlighted with black and white sketches.

，纯粹冲着插画师买下了这本童话，粉笔画太出色，风格温暖唯美，被誉为天才不为过，附上他个人作品链接 <http://www.christianbirmingham.com/> 部分作品都能在网上小图浏览，爱他的插画还是捧着实物更能让人满足。

喜欢画家笔下的梦幻光感，童话世界就是这样子的

开本很大，有全页的彩色插图和夹在文字版面的小幅黑白插图

画的很梦幻
