The last in the four-book series about Phoebe's many adventures and discoveries about herself. This book is highly recommended for girls from 7 to 10 years with diagnosed or probable ADHD. Through a highly entertaining story line, it provides support and lets every girls know that she is not alone. In this installment, Phoebe's positive characteristics and generous nature come through loud and clear. The conclusion allows girls to see first hand, the tangible effects of a proper diagnosis and individually tailored treatment program for ADHD.
