Vellum papers and fun designs are featured in this wonderful crafter's companion. Paper and card makers can shape beautiful gold, silver, and colored sheets into

flowers, stars, butterflies, and hearts--perfect for Valentine's Day, weddings, and birthdays. With cutting grids printed on the reverse side, these paper designs can be used to fashion stunning cards, stationary, scrapbook pages, photo albums, collages, and much more. Each fantastic design--from the classic letters to the dragonflies--is printed on a A4 acid-free and lignin-free perforated sheet to ensure a long-lasting creation.
