著者:Bartz, Katie

出版者:Landauer Books

出版时间:2008-9

装帧:HRD

isbn:9781932533064

Book & CD. Home decorating enthusiasts will adore this collection of 16 inspirational pillow embroidery projects, complete with a primer on machine embroidery for those new to sewing, and helpful tips and tricks from industry insiders. From whimsical flower throw pillows and quilted bolsters to ring-bearer cushions and cushy ottomans, these projects deftly illustrate how to combine basic techniques -- zipper insertion, welt creation, bias cutting -- with embroidery to create gorgeous accents for the home. An accompanying CD-ROM features the designs used in each project as well as bonus

patterns.
